Child Support Amnesty Week

It's Time!

*Do the Right thing
for your kids.*

Are you behind on your child support payment and have an outstanding warrant? Let's talk! Come into your local probation offices between April 28 and May 3, 2014 to reach an agreement regarding your child support arrears and future payments. Make a payment, set up a reasonable payment plan and commit to it, and your child support warrant may be discharged. This Amnesty Program applies only to New Jersey Child Support warrants. For office hours and more information, call **1-877-NJKIDS-1** or visit us at www.njchildsupport.org/amnesty.
